The Dance Project – Child Protection Procedures

These procedures have been designed to ensure the welfare and protection of any child and/or young person who accesses the services provided by The Dance Project.

The Dance Project is committed to the belief that protecting children and young people is everybody's responsibility and therefore the aim is to provide guidelines that will enable all employees and volunteers to act appropriately to any concerns that arise in respect of a child/young person.

The Dance Project believe that all children and young people have a right to be protected from abuse regardless of their age, gender, disability, culture, language, racial origin, religious beliefs or sexual orientation and identity.

At the outset of any production the organisation will:

- undertake a risk assessment and monitor risk throughout the production process;
- identify at the outset the person with designated responsibility for child protection;
- engage in effective recruitment of chaperones and other individuals with responsibility for children, including appropriate vetting (if necessary in consultation with the local authority);
- ensure that children are supervised at all times;
- know how to get in touch with the local authority social care services, in case there is a needs to report a concern.

The Dance Project has an appointed individual who is responsible for dealing with any child protection concerns. In their absence, a deputy will always be available for workers/members to consult with.

The named persons for Child Protection within Name of Organisation are:

Named Person for Child Protection: LUCY LAWRENCE POOLE

Deputy Name of contact person: CAROLINE MORALES

The role and responsibilities of the named person(s) are:

- To ensure that all staff are aware of what they should do and who they should go to if they are concerned that a child/young person may be subject to abuse or neglect.
- Ensure that any concerns about a child/young person are acted on, clearly recorded, referred on where necessary and, followed up to ensure the issues are addressed.
- The Named Person(s) will record any reported incidents in relation to a child/young person. These will be kept in a secure place

Suspicion of abuse

- If you see or suspect abuse of a child while in the care of The Dance Project, please make this known to the person with responsibility for child protection.
- If you suspect that the person with responsibility for child protection is the source of the problem, you should make your concerns known to the local authority designated officer (LADO)
- Please make a note for your own records of what you witnessed as well as your response, in case there is follow-up in which you are involved.
- If a serious allegation is made against any member of The Dance Project, chaperone, venue staff etc., action will be taken to ensure the individual does not have further contact with the child until the investigation is concluded. The individual will be excluded from the theatre, rehearsal rooms, filming location, TV Studio, etc. and will not have any unsupervised contact with any other children in the production.

Disclosure of abuse

If a child confides in you that abuse has taken place:

- Remain calm and in control but do not delay taking action.
- Listen carefully to what has been said. Allow the child to tell you at their own pace and ask questions only for clarification. Don't ask questions that suggest a particular answer.
- Don't promise to keep it a secret. Use the first opportunity you have to share the information with the person with responsibility for child protection. Make it clear to the child that you will need to share this information with others. Make it clear that you will only tell the people who need to know and who should be able to help.
- Reassure the child that 'they did the right thing' in telling someone.
- Tell the child what you are going to do next.
- Speak immediately to the person with responsibility for child protection. It is that person's responsibility to liaise with the relevant authorities, usually Children's Social care or the Police.
- Never investigate or take sole responsibility for a situation where a child makes a disclosure
- As soon as possible after the disclosing conversation, make a note of what was said, using the child's own words. Note the date, time, any names that were involved or

mentioned, and who you gave the information to. Make sure you sign and date your record.

Recording of information

- In all situations, including those in which the cause of concern arises from a disclosure made in confidence, the details of an allegation or reported incident will be recorded, regardless of whether or not the concerns have been shared with a statutory child protection agency.
- An accurate note shall be made of the date and time of the incident or disclosure, the parties involved, what was said or done and by whom, any action taken to investigate the matter, any further action taken e.g. suspension of an individual, where relevant the reasons why the matter was not referred to a statutory agency, and the name of the persons reporting and to whom it was reported.
- The record will be stored securely and shared only with those who need to know about the incident or allegation.

Photographs and images of children

- The Dance Project require the consent of parents/guardians to take photographs of their child by ticking clause 13 and signing The Dance Project's Terms and Conditions when the pupil registers with The Dance Project. The Dance Project will assess the potential risks to the child when making decisions about the type of images they wish to use and the way they are used. Use of names of individuals in a photograph will be limited and children's locations will not be used.
- If parents or other members of the audience are intending to photograph or video an event they should be made aware of the organisation's policy. The use of cameras or mobile phones with camera or filming capability in dressing rooms and other inappropriate environments should be expressly forbidden.

- The Dance Project try to keep children safe by not communicating with children via their phone, but with their parents.
- Cyber-bullying by children, via texts and emails, will be treated as seriously as any other type of bullying.

- The organisation believes it to be important that there is a partnership between parents and the organisation. Parents are encouraged to be involved in the activities of the organisation and to share responsibility for the care of children.
- All parents will be made aware of the organisation's Child Protection Policy and procedures.

- All parents have the responsibility to collect (or arrange collection of) their children after rehearsals or performances. The organisation has a responsibility to ensure suitable arrangements are in place to take children home.

Unsupervised Contact

- The organisation will attempt to ensure that no adult has unsupervised contact with children.
- If possible there will always be two adults in the room when working with children.
- If unsupervised contact is unavoidable, steps will be taken to minimise risk. For example, work will be carried out in a public area or in a designated room with a door open.
- If it is predicted that an individual is likely to require unsupervised contact with children, he or she may be required to obtain a criminal record disclosure from the Disclosure and Barring Service
- All children will be chaperoned at all times

Gifts made to the children

- Gifts of any sort, including sweets and chocolates given to the children must be made via the chaperone and with consent of the parents
- Chaperones will be mindful of any allergies/food intolerances in the group before accepting gifts for the children
- Favouritism of any child(ren) is not appropriate
- All gifts should be made to all the children rather than any specific child(ren)

Physical Contact

- All adults will maintain a safe and appropriate distance from children.
- Adults will only touch children when it is absolutely necessary in relation to the particular activity.
- Adults will seek the consent of the child prior to any physical contact and the purpose of the contact shall be made clear.

- The organisation has a policy and procedures for the taking, using and storage of photographs or images of children.
- Permission will be sought from the parents for use of photographic material featuring children for promotional or other purposes.
- The organisation's web-based materials and activities will be carefully monitored for inappropriate use.
- The organisation will ensure confidentiality in order to protect the rights of its members, including the safe handling, storage and disposal of any sensitive information such as criminal record disclosures.

Rights & Confidentiality

- If a complaint is made against a member of the organisation he or she will be made aware of his rights under the organisation's disciplinary procedures.
- No matter how you may feel about the accusation, both the alleged abuser and the child who is thought to have been abused have the right to confidentiality under the Data Protection Act 1998. Remember also that any possible criminal investigation could be compromised through inappropriate information being released.

Accidents

- To avoid accidents, chaperones and children will be advised of "house rules" regarding health and safety and will be notified of areas that are out of bounds. Children will be advised of the clothing and footwear appropriate to the work that will be undertaken.
- If a child is injured while in the care of the organisation, a designated first-aider will administer first aid and the injury will be recorded in the organisation's accident book. This record will be counter-signed by the person with responsibility for child protection.
- If a child joins the production with an obvious physical injury a record of this will be made in the accident book. This record will be counter-signed by the person with responsibility for child protection. This record can be useful if a formal allegation is made later, and will also be a record that the child did not sustain the injury while participating in the production.

Chaperones

- Chaperones registered with their local authority, will be appointed by the organisation for the care of children during the production process. The chaperone is acting in loco-parentis and should exercise the care which a good parent might be reasonably expected to give to a child. The maximum number of children in the chaperone's care shall not exceed 12.
- Potential chaperones will be required to obtain a chaperone registration from their local authority and to supply this registration to the organisation once the local authority has approved them as a chaperone.
- Chaperones will be made aware of the organisation's Child Protection Policy and Procedures.
- Chaperones may have unsupervised access to children in their care consequently a criminal record disclosure will be sought as a requirement of the local authority, before the grant approval for the chaperone
- Where chaperones are not satisfied with the conditions for the children, they should bring this to the attention of the producer. If changes cannot be made satisfactorily the chaperone should consider not allowing the child to continue.
- If a chaperone considers that a child is unwell or too tired to continue, the chaperone must inform the producer and not allow the child to continue.
- Under the Dangerous Performances Act no child of compulsory school age is permitted to do anything which may endanger life or limb. This could include working on wires or heavy lifting. Chaperones should tell the producer to stop involving children in dangerous performances, and should contact the local authority.
- During performances, chaperones will be responsible for meeting children at the stage door and signing them into the building.
- Children will be kept together at all times except when using separate dressing rooms.
- Chaperones will be aware of where the children are at all times.
- Children are not to leave the place of performance unsupervised by chaperones unless in the company of their parents.
- Children will be adequately supervised while going to and from the toilets.
- Children will not be allowed to enter the adult dressing rooms.
- Chaperones should be aware of the safety arrangements and first aid procedures in the venue, and will ensure that children in their care do not place themselves and others in danger.
- Chaperones should ensure that any accidents are reported to and recorded by the organisation.
- Chaperones should examine accident books each day. If an accident has occurred, the producer is not allowed to use that child until a medically qualified opinion has been obtained (not just the word of the parent or child).
- Chaperones should have written arrangements for children after performances. If someone different is to collect the child, a telephone call should be made to the parent to confirm the arrangements.
- Children should be signed out when leaving and a record made of the person collecting.

- If a parent has not collected the child, it is the duty of the chaperone to stay with that child until arrangements have been made to take the child home.
